The previous correspondence on the subject is contained in the Muz 7 no 123-1902 put up herewith - the facts are briefly as follows -

2) In Janry 1903, the Dy Comr recommended the grant of an allowance of 1 seer of rice & ½ anna

per day ~~[illegible]~~ to the above temple from the chattram at Challakere It was then pointed out to him that the challakere chattram had only a sum of Rs 17/- (out of the tasdik grant allotted to it) available for feeding bona fide travellers and he was requested to state whether the chattram could conveniently bear the new charge Thereupon the Dy Comr solicited sanction for the grant of ½ a seer of rice with 3 pies per day from the ~~[illegible]~~ available balance of the chattram, tentatively, till the revival of the chattram at Hangal in the Molakalmuru taluk. ~~The~~ Govt declined to sanction this recommendation of the Dy Comr, in G.O. No. 3077/ M. 7. 24-9387-4-04. On this the Dy Comr recommended that a cash grant of Rs 2-8-0 per mensem (as being equivalent in value to ½ seer of rice & 3 pies per diem) may be granted from the Annachattram at Chitaldroog which was reported to be able to bear the charge conveniently. This recommendation of the Dy Comr was sanctioned tentatively for one year

in G O No 643-4/M 7 24-93 dy 6-8 1904 and the permanent continuance of this allowance was subsequently sanctioned in G O. No 4627/M 7 24-93 dy 10-6-1905.

3) From the above it is seen that no allowance could be sanctioned to the temple from the Challakere chattram and that it had to be granted from the chitaldroog chattram In his present letter the Dy Comr states that the allowance already sanctioned is insufficient to secure the services of a pujari for the temple & recommends the grant of an additional allowance of ½ seer of rice with condiments per day to the temple from the chattram at challakere. It is stated that the chattram could now bear the charge, without prejudice to the needs of bonafide travellers, especially in view of the fact that the reduction of the establishment charges of the chattram at an early date is under contemplation.

of the case and the present reference from the Dy Comr shew that the application is one deserving of favourable consideration. The applicant is reported to have built some mantaps and a cartstand, besides sinking a draw-well, close to the Temple in question. These useful works have cost him Rs 2000/- which he has raised by public subscription. To ensure permanent worship in the temple, the help of Govt is necessary, and the recommendation of the Dy Comr may, it seems, be sanctioned. ~~Draft appd by 1st Councillor~~

Sir,

In forwarding herewith the application dated the 16th September last received from one Subba Sastry of Paramnampur in the Challakere taluk praying for an additional grant for the maintenance of the Eswara temple built by him, I have the honor to state that the applicant is a sincere devotee working from a long time for the improvement of the institution. He has also built mantaps and a cart-stand in its precincts, besides a draw well by the total investment on these works is stated at over Rs 2000/- which the applicant means of subscriptions. Paramnampur being dway between Pavagada and Challakere, to resort to this institution as there is The Pujara of the temple is mantaps to. The present

being Rs 2-8-0 per month sanctioned in Govt. order No. 4627/Mis 24-93 dated the 10th June 1905, the applicant finds it difficult to secure the services of a Pujari in an out of the way place like Paramamangalam.

2. In view of the growing importance of the institution, I beg to recommend that half a seer of rice with condiments per day may kindly be sanctioned out of the allotment of the Chatram at Thalakere without prejudice to the needs of the bona fide travellers. It is also under contemplation to reduce the establishment charges of this Chatram at an early opportunity.

I have the honor to be,

Sir,

Your most obedient servant
